

Apprentice Engineering for Kids

Spring 2018—Session I

Ever wonder how real world engineers solve their everyday challenges? Come to our weekly Apprentice Engineering Club and have fun through hands-on, project based learning! From guided build to open ended challenge, you learn to use the powerful Engineering Design Process to develop creative problem solving, critical thinking, teamwork skills, build grit and cultivate a making habit. What a perfect place to play, learn and explore! (Projects include Aerospace, Mechanical, Marine Engineering, etc)
