

# Apprentice Engineering for Kids

Winter 2018—Session I

**APPRENTICE: Learn Coding with Electronic Game Design (Pizza Delivery)**

Papa's Pizzeria is the busiest it has ever been this winter. In *Electronic Game Design: Pizza Delivery!*, we will create our own version of a platform game that will require players to collect ingredients, make pizza and serve all of the hungry customers. We will use the Engineering Design Process to create a storyboard to outline the rules of play and characters for our game. Then, we will use Clickteam Fusion 2.5 to bring our storyboard to life with programming. At the end of the class, everyone takes home a working Windows-compatible game. Please bring a USB drive each time to save your game.

Who: Boys and Girls Ages 8—12  
Monroe Twp. Residents Only

Where: Monroe Township Community Center

When: Mondays  
January 29 February 5, 12, 26 March 5 (no class 2/19)
